

REMARKS

This paper responds to the Notice of Non-Compliant Amendment. In the Notice, the Office Action requested that amended claims underline the added text to the claims. The Notice of Non-Compliant Amendment further indicated that only the section to be corrected is required in response under 37 C.F.R. 1.121. Accordingly, Applicants have amended the listing of claims to underline the added text to the claims and refer to the Remarks presented in the Response filed October 20, 2008, for Applicants' remarks concerning the pending grounds for rejection.

Conclusion

The foregoing amendments and remarks are thought to obviate the basis for the Examiner's rejections and to otherwise place the application in condition for allowance. Accordingly, Applicants respectfully request reconsideration and allowance of the pending claims. Should an interview be helpful to further prosecution of this application, the Examiner is invited to telephone the undersigned.
